Person spoken of is German military, naval or air attache.
- 14.2.44 Sofia to Istanbul 32. KLATT to WIGO.  
What is to be discussed with German military attache? My  
idea of the agreement was that HENIS works for Russian  
organization and has nothing to do with Germans. If however  
absolutely necessary I will inform assistant of air attache  
SCHUBERTH - ANGERER with regard to this. I would prefer not  
to. Request answers about this. Am I to prepare courier  
link via German Embassy or is it better at present moment  
for you to avoid traffic with it? Perhaps SCHUBERTH can take  
over the forwarding of courier mail which is to be addressed  
to German air attache Budapest, and is this sufficient to  
give him official position? I expect answer before I talk  
to air attache here.
- 17.2.44 Istanbul to Sofia 32. WIGO to KARMMANY  
Information from SCHUBERTH on Saturday. It is possible that  
after the incidents at the German Consulate he will refrain
